Percentage: 91.00%

## INTERSHIPS

### Content Writer

Carhp, Virtual

Dec 2020 - Jan 2021

Content writing on automobiles.

## PROJECTS

### Shopping cart

Dec 2021 - Dec 2021

<https://github.com/harshit7388/shopping-cart>

Build a shopping cart basic structured web application using React JS. This web application displays few items on the page and allows the user to add them to the cart and get the final cart amount.

### Basic Website

Oct 2021 - Oct 2021

<https://github.com/harshit7388/Web-Development>

Built basic website using HTML, CSS, and Javascript.

Designed a website that depicts the concepts of web development as a beginner.

### Desktop Assistant

Aug 2020 - Oct 2020

Desktop AI assistant using Python Programming Language. Provide instructions using voice commands and the desktop assistant will respond to that voice and perform the following functions.

### Reservation management system

Feb 2019 - Apr 2019

Airline reservation management system using core java.
